

2018 MANHATTAN BEACH MIDDLE SCHOOL SUMMER READING LIST

Entering 6TH GRADE

Directions: Every student entering 6th grade is required to read a minimum of 3 books from this list, and one of them *must* be nonfiction. During the first few weeks of school, students will work on projects based on these books. It will be helpful to take notes during the reading (Post-it notes, graphic organizers, etc.), so they can be used in Humanities class. Please bring these notes with you to class in August.

TIP: If you are unsure of your reading level, try to choose a “just-right” book. This means that if you read the first few pages of a book and don’t come across any words that you are unfamiliar with, it may be too easy for you. If you come across 4 or more words that you are unfamiliar with, it may be too difficult for you. If you read 1-3 words that you are unfamiliar with, that book may be considered “just right” for you.
